

Christmas Order Form

This is our annual Christmas Order Form.

For every item you need, **enter the amount in the box to the right**. Some items have more than one type of amount you can enter (weight or individual); you don't need to fill them both in, just whichever option is most suitable for you.

Once you have everything you need entered onto the form, **fill in your contact details** at the bottom of the form, indicate a preferred **date for collection**, and then **hand the form back into the shop**.

The deadline for order forms is the 18th of December.

Collection will be available from the 22nd of December onward, so please choose a collection day on or after this date.
